Every Year Harvest Time International provides free Christmas gifts to thousands of local children whose parents are not able to provide presents for them on Christmas morning.

Whether you can decorate a bag, fill a bag with toys, food or a financial donation, we can all do something.

Working together we can give children and families the Christmas they deserve.

**How can YOU help?**

❄ Decorate - We provide the bags and you decorate them! Great project for families, school groups, churches, corporations, clubs etc.

❄ Fill the bag with JOY - Toys for children; 1-15 years old. Non-perishable Christmas dinner, gift cards for toys/groceries or a $25.00 financial donation to sponsor a child.

❄ Return - Return the bag to Harvest Time Int'l before December 4th, 2024

❄ Donations will be accepted all the way up to Christmas Eve.

❄ Toy Drive - Host or organize a Toy Drive. Ask your company, church or group to be a part!
