

 **CHRISTMAS**
Bag of Joy

2021 Partner Opportunity

Dear Partner,

Thank you for considering to partner with Harvest Time International for our 23rd annual Christmas Bag of Joy outreach.

This dignified program provides free holiday toys for children, and this years' Christmas Bag of Joy will be held on December 4th. Client families are identified based on financial need (up to 200% of federal poverty level), and during the last 3 years over 10,000 Central Florida children received free presents!

Parents pre-register during November and receive a ticket for a specific timeframe for December 4th, this way they don't have to wait in long lines. On that day, they will personally select 2 brand new gifts for each child. Volunteers escort parents thru the toy store and help them to pick the perfect gifts for their children. It's a hardship when you don't have money to buy Christmas presents for your children, and difficult to ask for help. We strive for dignity by giving parents the ability to choose presents for their children, and set up the event just like a toy store! Gifts are arranged by age and gender.

We are working hard to raise the funds needed to provide presents for these children who otherwise might not receive anything. WE NEED YOUR HELP. All the while more and more families find themselves in financial trouble. *Can you imagine* the gleaming face of a young boy or girl opening presents Christmas morning when they didn't expect to receive anything?!

Your donation will enable us to purchase toys in bulk directly from wholesale - well below retail rates, here are some examples:

	32 Key Electronic Keyboard
	Amazon Price: \$25.99 Our Price: \$10.99
10" Twin Baby Dolls
